REQUEST FOR PATENT ISSUANCE

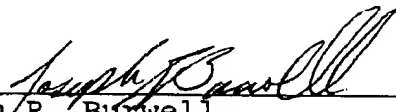

Along with this request, Applicant has submitted a petition to withdraw the holding of abandonment in the above-referenced application. This petition to withdraw the holding of abandonment is in response to a telephonic request from the Office of Publications, apparently in response to a problem by the PTO in processing the Issue Fee transmittal from Applicant, possibly due to failure to timely process Applicant's previous response, specifically the Issue Fee payment that was mailed on 06/08/2005. Since the Issue Fee should now have been processed, Applicant hereby kindly requests that the PTO proceed to issue the Letters Patent for the above-referenced application.
